Licensing for Brand Owners of apparel or home fashions

A brand owner who wishes to source, promote and sell apparel or home fashions made from BMP certified cotton must purchase a license to do so. The cost of the license is \$2500 and thereafter \$1000 per annum to retain licensing.

Cotton Australia and ACSA will provide general support information to assist promotional efforts.

Promotional and point of sale materials used in promoting the apparel or home fashions will be at the licensee's cost.

The licensee is responsible for the integrity of the supply chain, ensuring that products sold under the BMP Cotton mark or BMP Cotton Blend mark have been manufactured from bales of Australian BMP cotton. Suppliers of unfinished products such as yarn or fabric must provide verification to the brand owner.
